Performing Arts Center Evacuation Map
Basement

In case of fire or other emergency requiring evacuation, activate the nearest fire alarm pull station.

Exit in a calm and orderly manner. Once you have evacuated to a safe location, immediately call 9-1-1.

Assist injured persons and, if time permits, make sure all doors are closed and hazardous work operations are shut down as you exit.

Provide assistance to any person needing help evacuating the building.

Familiarize yourself with the location of exits, alarm pull stations and fire extinguishers.

Only attempt to control a fire yourself with a fire extinguisher if you have been trained and the fire is small.

Keep fire doors closed to prevent the spread of smoke and fire.

Familiarize yourself with the location of exits, alarm pull stations and fire extinguishers.
