Panther Village Phase 1 Evacuation Map
Second Floor

Evacuation Instructions:
- In case of fire or other emergency requiring evacuation, activate the nearest fire alarm pull station.
- Call in a calm and orderly manner. Once you have evacuated to a safe location, immediately call 9-1-1.
- Assist ill and injured persons and if time permits, make sure all doors are closed and hazardous work operations are shut down as you exit.
- Provide assistance to any person needing help evacuating the building.

Safety Guidelines:
- Familiarize yourself with the location of exit, alarm pull stations, and the exits.
- Only attempt to control a fire yourself if you have been trained and the fire is small.
- Keep doors closed to prevent the spread of smoke and fire.

Reverse Weather:
- In the event of a tornado, proceed to the shelter locations, keep away from windows and doors.
